

Dear valued customer,

We are pleased to provide you with our new catalog. We have included detailed photographs with descriptions, cross reference information and technical tips, which we hope will assist you in identifying and installing the replacement parts that we offer for various applications.

OSCO Motors Corp. has designed and manufactured marine exhaust systems since 1932. We believe in providing our customers with high quality products at competitive prices.

OSCO's marine exhaust systems are made in the USA with pride. We deal directly with the most skilled iron foundries in the USA. All design, machining and processing is done at OSCO's manufacturing facility in Hatfield, Pennsylvania.

Please feel free to call our sales or technical departments during business hours (9:00 AM-5:00 PM Eastern time), Monday-Friday, at 1-215-822-5399. We will be happy to answer any questions about installation or application of our products.

OSCO manifolds and risers are sold at quality dealers and distributors worldwide. We want OSCO to be your brand of choice when you are in need of replacement exhaust parts.

Ask for OSCO by name.
